About Ghent

Established in 1976, Ghent has been crafting and serving our customers' needs with innovative and customizable communication, collaboration, and learning solutions for over 40 years. Beginning as a premium supplier of visual communication tools, Ghent now offers display, space division, and healthcare solutions in addition to visual communication products like whiteboards, glassboards, bulletin boards, and enclosed message centers. Our products are specified through our dealer partner network and used to finish a space and make it functional.

We manufacture products to help people work better together.
