# Control Your Workspace

The right storage and space division solution keeps materials organized and secure, but also optimizes design to support people and the way they work. Control is configurable in linear and non-linear arrangements, allowing your space to work for you.

## Refined

Crafted with high design in mind, Control's elegant oak framing is constructed with sturdy, durable materials able to last for years to come.

## Configurable

Standard offerings of acoustic PET colors, laminates, wood stains, as well as custom options allow Control to match any space

## Unique

Control's unique 45-degree and 90-degree connector units give you the ability to create semi-circle and L-shaped workspaces.

## Multi-Purpose

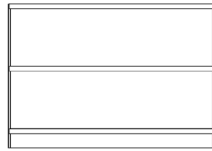

Whether used as a display furniture piece, a shelving unit for storage, or a partition for privacy, Control is versatile in any space.
