WHITEBOARDS AND DISPLAY CASES

COMMUNICATE, COLLABORATE, LEARN.

Teachers no longer lecture in front of rows of desks with a blackboard behind them. Instead, today's pedagogy emphasizes critical thinking, creativity, and collaboration; and the modern classroom needs to provide the tools students require for active learning.

Wall mounted and mobile whiteboards and glassboards from Ghent and display cases from Waddell functionalize and complete spaces both inside and outside the classroom. With durable materials and carefully considered construction, each markerboard and display case carries a warranty fit for an education environment. With custom sizes, surface materials and frames, we are confident you will find the perfect visual communication tool.
