

HEALTHCARE COMMUNICATION TOOLS

COMMUNICATE, COLLABORATE, LEARN.

The demands of patient care are high. To keep up with the needs of the healthcare industry, products used in patient care need to inspire clear communication, teamwork and collaboration.

Our line of wall-mounted whiteboards and glassboards offer functionality inside and outside the patient's room, including nurse's stations and hospital meeting areas. We have carefully considered the construction of our healthcare products. That is why each communication board is constructed with durable materials, easily cleanable surfaces, and carries a warranty fit for the healthcare environment. With custom sizes, surface materials, and frames, we are confident you will find the perfect visual communication tool.

At Ghent Healthcare, we pride ourselves on being the experts in patient room whiteboards. Ghent Healthcare communication dry erase boards are found in healthcare facilities across the country in patient rooms, nurses' stations, pharmacies, operating rooms and behavioral health facilities.

MADE TO LAST, CREATED FOR CHANGE

Designed with quality and ease in mind.

CLEANABILITY

Our easy-to-clean whiteboard and glassboard surfaces have been tested and approved to be used with hospital-grade cleaners and disinfectants. Resistant to ghosting or staining and designed for easy care and maintenance, you can rest assured that your patient's information won't linger and that your board will look as great as the first day it was installed. Each board can be wiped with a microfiber cloth or disinfection wipe, keeping your space sanitized and your patients healthy.

DURABILITY

At Ghent Healthcare - all of our products are made in the USA, manufactured in Lebanon, Ohio and delivered nationwide. Designed for patients and hardworking doctors and nurses, our whiteboards are committed to working for you. Curated from durable and sustainable materials, our boards can handle long days and nights with you. We take pride in producing quality items that last. Each board is made with durable materials and carries a lifetime limited warranty.
