

# WORKPLACE

**DISPLAY AND COMMUNICATION TOOLS**

# Communicate, Collaborate, Learn.

The workplace has evolved from a siloed structure into a more fluid space where employees must find areas to do focused work as well as collaborative work. Ghent provides solutions for both needs with tools to communicate and space defining furniture.

Whiteboards and glassboards, space division and display solutions by Ghent functionalize and complete spaces throughout the workplace. With durable materials and carefully considered construction, each markerboard and display case carries a warranty fit for a corporate environment. With custom sizes, surface materials, and frames, we are confident you will find the perfect visual communication tool that fits your needs and brand.

We've been crafting and serving our customers' needs with innovative and customizable communication collaboration and learning solutions for over 40 years. Beginning as a premium supplier of visual communication tools, Ghent now offers display, space division, and healthcare solutions in addition to visual communication products.

## Warranties

Quality and performance are hallmarks of our products. We guarantee all products to be free from defects in material and workmanship. If any product fails to perform under normal use, Ghent will replace it. At the end of the day, we want our customers to say "That's Exactly What I Wanted!"

## Shipping

Arrives as expected, guaranteed. Ghent's Dura-Packed packaging ensures products are protected throughout their journey. Through extensive research and development, a team of in-house and outside engineers developed custom packaging specifically created to protect each product through it's shipping journey. Additionally, Ghent has some of the quickest lead times, even during the busy summer months.

## Custom Capabilities

Incorporate company branding into your space by taking your Ghent products to the next level with custom graphics, color-matching services, and configuration capabilities. As a made in the USA manufacturer, we have the ability to meet your specific needs within your timeline.
