Mosaic Bulletin Board in Merit Nectarine Fabric with Anodized Silver Frame (MSC4NA41T2MT035)

Express Your Communication Style With Mosaic

Built for use in environments such as office, education, and healthcare, Mosaic's sleek minimalistic aluminum mosaic elevates porcelain and tackboard surfaces from function to art. Mix and match sizes and surfaces to create a visual communication art display.

Aesthetic

Sleek, aluminum frame gives Mosaic a modern, minimalistic aesthetic that gently upscales the design of any space.

Functional

Porcelain and tackable surfaces can stand on their own or be used in tandem to create a functional art display.

Possibilities

A vast collection of fabrics and frame finishes allows for mixing and matching of colors and surfaces.

Unique

With a multitude of options, create a communication display that is custom-fit for your space.
