Flyte Mobile Frameless Whiteboard / FLYM

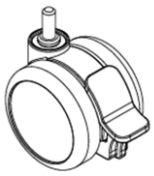

Installation Instructions Questions? Give us a call! 800-543-0550

Installation Time: Five minutes to install legs and carefully lift the mobile onto the floor.

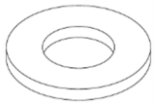

Packaging Contents:

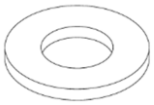

Flyte Mobile Panel

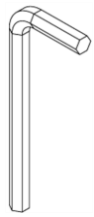

Legs

Casters

Socket Head Screws

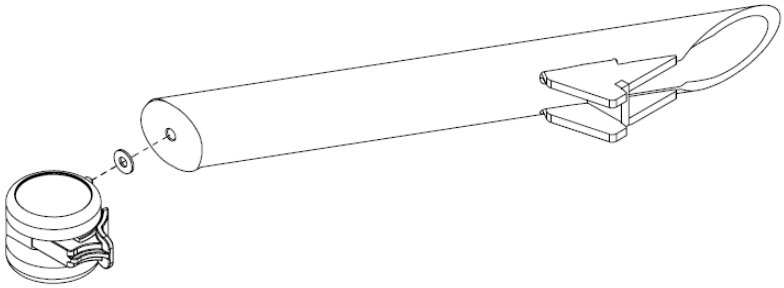

Rubber Washers

Stainless Washers

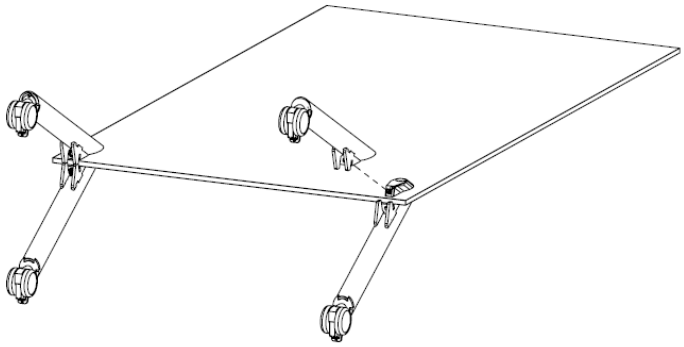

Allen Wrench

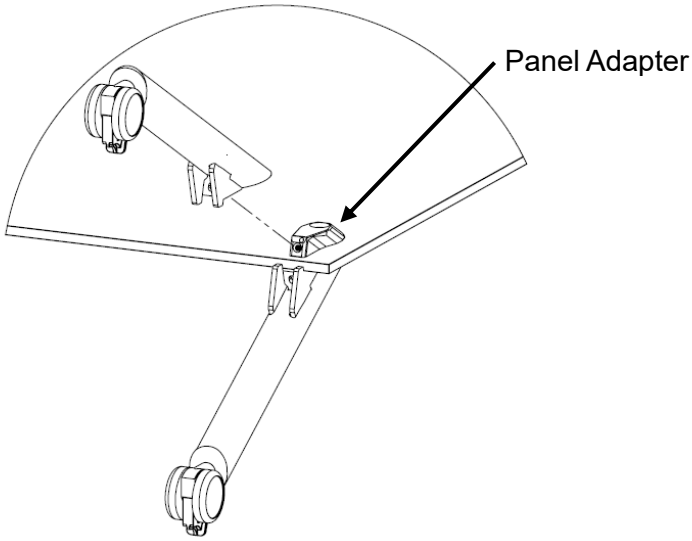

Instructions:

1. Fit one rubber washer onto the stem of each caster. Then press firmly into the leg until a click is heard.

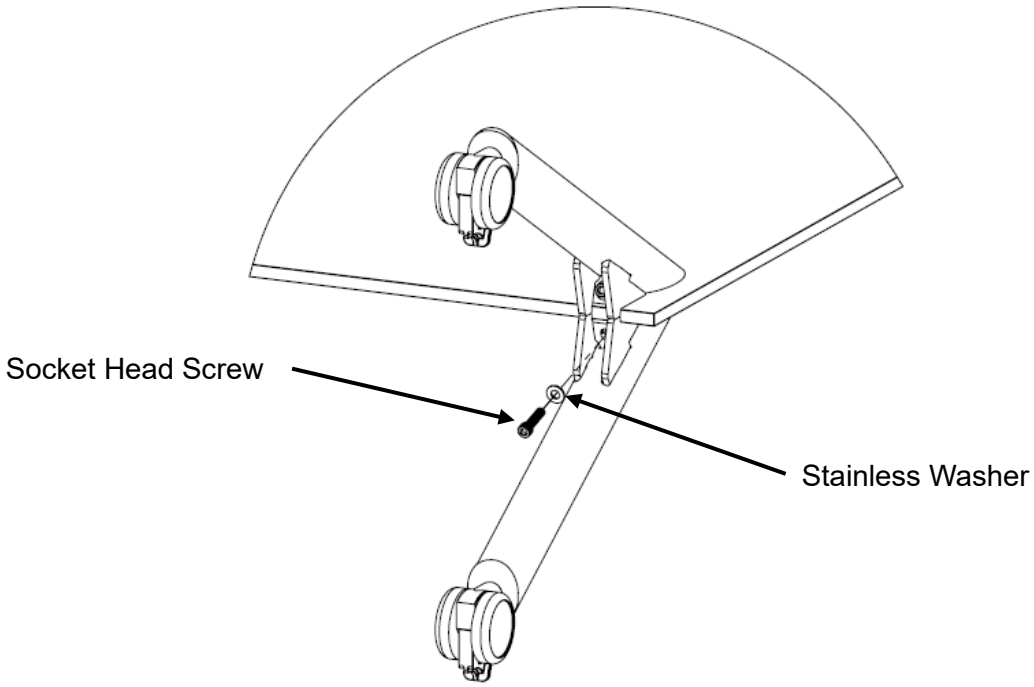

2. Place the panel on a clean tabletop surface with adapters hanging off the edge. Fit one leg onto each panel adapter as shown.

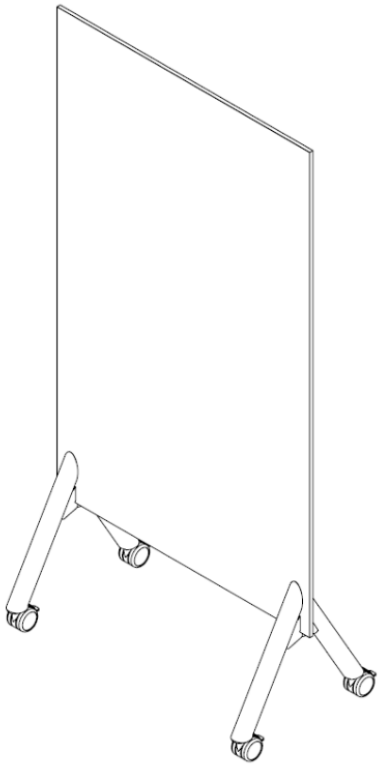

3. Secure each leg using one socket head screw, stainless washer, and the provided Allen Wrench.

4. **Two adults required** – From each side carefully lift the unit and stand it upright onto the floor.

5. Please recycle all packaging in accordance with local regulations.
