Flyte Solo 4'x6' Whiteboard

Flyte™ Solo Frameless Whiteboard

Combining elegance with high function, Flyte Solo is a frameless, magnetic whiteboard featuring Ghent's durable GUV gloss surface that resists stains and ghosting. Its lightweight, honeycomb aluminum core and coated steel surface offer lasting strength and style, backed with a 50-year performance warranty.

Possibilities

Designed for boundless creativity, Flyte Solo is available in 8 standard sizes, with custom sizing options available.

Sustainability

Created with end of life in mind, Flyte Solo features a structured aluminum core with a finished steel surface that is completely recyclable.

Durability

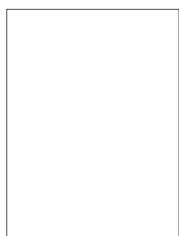

Backed by a 50-year warranty, Flyte maintains its high performance without ghosting, staining, or warping, perfect for high-use environments.

Ease of Installation

Lightweight core construction allows for simple installation processes, making it ideal for fast-paced environments.
